

OH MOMMY, OH MOMMY

1. Play chords in the left hand where written and on the first beat of every measure.
2. Play the chords in the middle C octave.
3. Play the melody one octave higher than written.

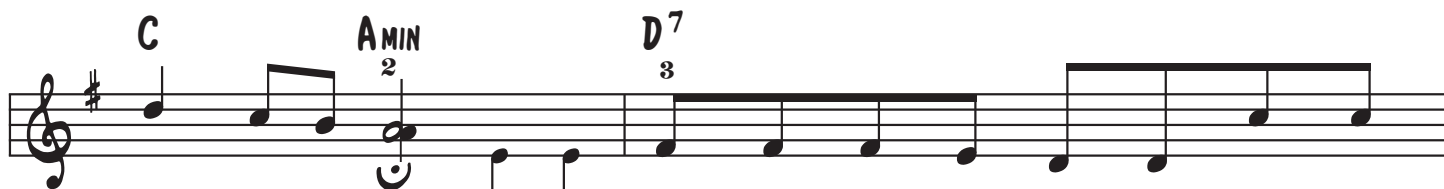

Gilbert DeBenedetti

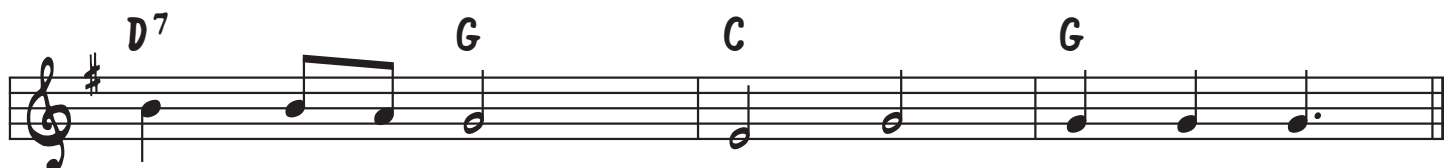

1. "Oh Mom - my, oh Mom-my if I tell you a word, Will you
 2. "Oh Mom - my, oh Mom-my when I come in from play, Will you

sing me a song a-bout a mock - ing bird? When morn - ing comes and
 sing me a song _____ a - bout to - day? And late at night when

ba - by _____ cries, _____ Mom-my's sweet _____ mu - sic clears the
 crick - ets _____ peep, Will you sing _____ me a song _____ that will

tears from my eyes."
 put me to sleep?" "Yes, now hush - a - bye."
 "Yes, now go to sleep."
